Production & Skilled Trade Positions

POSITIONS AVAILABLE AT AMERICAN AXLE & MANUFACTURING, INC. (AAM)

AAM is a world leader in the manufacture, design, engineering, and validation of driveline systems and related components and modules, chassis systems and forged products for trucks, sport utility vehicles and passenger cars. AAM is accepting applications for its Detroit and Three Rivers, Michigan locations.

Production Positions: The production positions are in machining or assembly and are in a three-shift operation. Responsibilities involve numerous duties associated with manufacturing of automotive axles and driveshafts. Candidates must be highly motivated, able to work any shift and adapt quickly. Candidates must be flexible and willing to participate in a team environment which strives towards excellence in safety, quality, profitability, productivity, leadership and problem-solving.

Skilled Trade Positions: Skilled trade positions require a minimum of eight years of documented experience in the trade or a qualified journeyman card. Responsibilities include machine maintenance and troubleshooting within a fast-paced, three-shift environment. Candidates must be highly motivated, able to work any shift and adapt quickly. Candidates must be flexible and willing to participate in a team environment which strives towards excellences in safety, quality, profitability, productivity, leadership and problem-solving.

Qualified candidates must be of legal age and possess at a minimum a High School diploma or GED (verification required), a mechanical aptitude, mathematical skills and the ability to operate machinery and equipment while making fact-based decisions. Positions are full-time for all shifts and include benefits following a certain period of regular employment.

Please take note that there is a strike at the AAM facilities where the positions being offered in this advertisement are located. Employment offered to applicants responding to this advertisement will be to fill anticipated attrition replacement openings after negotiations or in place of employees involved in this strike.

Interested candidates may apply online at www.aam.com
