

## From the desk of Nick Kottalis

President/Chairman  
(Dearborn Truck Plant)

To the Dearborn Truck Plant Membership,

As Elected Union Reps of the Dearborn Truck Plant Unit Committee,

"WE DO NOT SUPPORT THE MODIFICATIONS TO OUR CONTRACT!"

If we give up the right to STRIKE it would go against everything our union is suppose to stand for. This is a CONCESSION contract and our membership has given up too many already! We are voting "NO" and we recommend to this membership of the Dearborn Truck Plant that you vote "NO!"
