

# We Need Every "No" Vote!

We are Dearborn Truck Plant workers who call on all our co-workers to vote "No".

Enough is Enough!

We are tired of giving up concession after concession after concession!

If our top union leadership hasn't been listening to us, then it's time to make them hear us by voting "No"!

Many other plants have already voted down this agreement. Now we must do our part and make sure Dearborn Truck is heard loud and clear.

**They count total votes nationwide. Every No vote counts. We need every No vote. We can't let the vote be close and let anyone steal it.**

Vote at Local 600 6:00 a.m. to 6:00 p.m., Thursday and Friday
