Original Sit-Downer Olen Ham says Join Us In Detroit!

posting by Theresa Harvey Barber Craig (Drone), UAW Local 663, Anderson, IN

One of our members met with Olen Ham on Wednesday and took a few photos. One of the photos shows Olen signing the petition! He is with all UAW brothers and sister in standing up to this UAW International who have forgotten what they are there for! He is standing with us in **TAKING OUR UNION BACK!!!!**

First UAW/GM Agreement. 1937 and the Great Depression was going on!

I can't wait to shake his hand also!

We will all be so honored to be in the presence of this man.

Olen is a proud Union member and has many memories of his struggle.

WAGE CUTS?

Real solidarity isn't tiered!

Please join the members of UAW local 5960 as we rally to show the International the true meaning of **SOLIDARITY!** Bob King and Mike Dunn have forgotten who they work for, let's help them remember.

- **Bring home-made picket signs**
- **Bring your petitions**
- **Or just come to show your support.**
