

Petition by UAW members calling for a copy of the grievance that UAW V.P. Cal Rapson wrote on their behalf against General Motors

Union members have a legal right to a copy of their grievance.

It is entirely appropriate for UAW members to request a copy of the grievance that UAW V.P. Cal Rapson wrote on their behalf against General Motors for withholding the pay raise due on January 4, 2010. Since this is a plant wide policy grievance it is also entirely appropriate for UAW members to act collectively and show support for Brother Rapson by requesting a copy of the grievance in the form of a petition.
