

Gate Collection UAW Local 23

UAW Local 23 will hold a gate collection to pay for the cost of a videographer and to have the Post Office on site when they cast their No votes at the Union Hall on Thursday September 23, 2010.

When they cast their no vote, they will receive a numbered button.
When they hit the magic number 340, it's checkmate!

So reach into your pocket and drop a buck or two or twenty, whatever you can afford out of your beer money, to donate to UAW Local 23 for carrying the banner of Solidarity in the fight against concessions.

A Victory for One is a Victory for All.
