## Message from your Bargaining Committee

The Bargaining Committee is pleased to inform you of information received early today pertaining to the raise for the January 4, 2010 pay increase of 3.75%. We have been informed by the National Parties that this issue is settled and the increase is expected to be in your paycheck by the end of April. Back pay from January 4, 2010 is expected to be paid out sometime in May. The Committee is working hard and will continue to keep you informed as new information is obtained.
