Pay Raise Update

The Shop Committee was notified today, and is pleased to report that the 3.75% Raise due January 4th, 2010 is being restored for all members.

The raise will be in our paychecks in the next few weeks, but we haven't been given an exact date as of yet. Shortly after the raise has been restored, each member will be paid all lost monies retroactive to January 4, 2010.

The Shop Committee will report the effective dates ASAP once we receive them.
