## **3 important Ford items to add to conference call agenda**

3 important Ford items, depending on who's on the call:

1. Scott Houldieson's and Keith Hall's petition and leaflet for reopening the national Ford contract--I forwarded that last night from the subcommittee assigned on the last call.
2. Jeff Brown's and Paula Loturco's Local 3000 struggle over speedup--3000 has already proved itself by voting the local contract down.
3. The other Ford local that voted its own contract down is UAW 2000. Last week they AGAIN voted NO. Mary Springowski consistently reports via Twitter (@maryspring).
