Hey everyone!

Come help make Banners at the Labor Notes Office, Thurs. and Friday, 4pm at 7435 Michigan Ave, between Cecil and Central.

On Monday at the Labor Day Parade, we will meet at 8:30 am on the northwest corner of Woodward and I-75. We want to have four or five banners for people to see as they walk by. We expect a lot of people because of Pres. Obama's presence. Suggested slogans are:

Reinstate COLA

Raises not phony bonuses

End 2 tier...the time is now!

No plant closings, produce for a green economy

Equal Fair Treatment For All Workers.

Workers Are Human Beings

Workers Have Rights.

Equal Pay 4 Equal Work

Signing Bonus is Bait and Switch

Autoworkers Are Not Bankers!After Obama's speech we will meet at 1 pm at the Anchor Bar at 450 W. Fort Street in the back room.

We feel King's remarks recently reflect the influence of the successful Aug. event and the press it generated. Further, after we delivered the results of our survey to Solidarity House, they have been calling the individuals who participated asking them to participate in another official survey.

We've got to keep the heat on! A press release will come out tomorrow. Videos of rank and file testimony can be found on the Autoworker Caravan website and Survey results will soon be up.

Please help us Thurs. and Fri. and see you on Monday!
