Friday, December 28, 2012 4:15:48 PM

Please attend a conference call Sun., Dec. 30th, 3:00 pm (2:00pm Central), 641-715-3620, #441958, to continue planning for auto show rallies,

We will be having two rallies at the auto show in front of Cobo Hall to come in contact with the press:

Sun., Jan. 13th, 1:30-3:00pm with a get-together afterwards at the Anchor Bar,

This is the day before press day and press does come early, but we are aiming for a turn-out of people in the plants to focus on two tier, working conditions and alternative work schedules with forced Saturdays every week on straight time.

AND Mon., Jan. 14th, 1:30-3:00pm for those who can come since this is the day we will get the most press.

Community groups will be joining us Monday and those who can should support their rally to greet Snyder at the Ball on Fri., Jan. 18th.
