

Hunger striker sewing lips shut in Detroit 3:00 PM Hart Plaza

Wednesday, September 19, 2012 9:38:33 AM

Jorge Parra, president of the Association of Injured Workers and Exworkers of GM Colombia, representing workers who were fired after being injured, is in the third week of hunger strike. His brothers in Bogota are also in the third week of striking with their lips sewn shut. Jorge has been in Detroit but GM has not agreed to meet with him. Join us at 3:00 PM at Hart Plaza in downtown Detroit when our brother sews his lips shut.
