# Norwegian TV Interview

To whom it may concern,

I am writing on behalf of Jon Gelius from the Norwegian Broadcasting Corporation (NRK). NRK is the national television station in Norway, the equivalent to BBC in the UK.

Jon is visiting Michigan Monday March 12th (from noon) until Wednesday evening March 14th. He is doing a story on the car industry and how the Big Three has rebound. Jon is very interested in meeting with an autoworker to hear from him/her how the conditions for auto workers in Michigan has changed, what are the issues people are faced with, and how do you regard the future.

If possible, Jon would like to do something with with the autoworker while chatting, it could be that he follows the person to work one day.

I am very much hoping you would be open to do this with us, and I look forward to hearing back from you.

best regards,
