

Retirees United for Truth!

June 26 - 28

10:00 am - 3:00 pm (each day)

8000 East Jefferson Avenue, Detroit

Please join us for a sit-down style protest in front of UAW Solidarity House. Our message is one of accountability to the members of our Union. We wish to spotlight attention to the secrecy and undemocratic structure of the IUAW leadership that has cut the active and retiree members' voice and vote on issues that greatly impact their lives, while leaving out any discussion pro or con from the members themselves. Please consider joining us in Detroit to make our voices heard.

We will be trying to find lodging in the homes of local supporters and carpooling to lessen the financial burden of participating.
