

Troy Demo: Gov. Scott Walker Apr.17

Hello All-- (and apologies for duplicate postings)

We have an excellent opportunity on April 17 to call out two of the "Co-Conspirators Against the 99%," Governor Scott Walker of Wisconsin and Gov. Snyder. The Republicans have invited Walker to speak at a fundraiser on the 17th at the San Marino Club in Troy. The details are in the two attached flyers, one announcing our informational action from 5-7pm (with directions to the 5pm gathering point at the Balkan American Community Center), and the second detailing in a "subpoena" the shared agenda of Walker and Snyder. We will walk to the nearby San Marino Club and deliver the subpoena in peaceful protest of their attacks on working class families.

The message: Snyder is no moderate!

Please distribute the flyer as widely as possible and join us on the 17th!

Governors Rick Snyder and Scott Walker

Co-Conspirators Against the 99%

Michigan Republicans are hosting a fundraiser at the San Marino Club in Troy featuring Wisconsin Governor Scott Walker, a fellow conspirator with Governor Rick Snyder in the assault on working class families. In peaceful protest, we will deliver a subpoena calling on Walker and Snyder to account for their shared agenda of cutting taxes on the corporate rich, shifting taxes to the 99%, slashing social services for people in need, and stripping voters and working people of their rights.

Defendants

Governor Rick Snyder
Governor Scott Walker

The Defendants are Hereby Ordered:

To answer charges that they have conspired to wage class war on working and middle class families.

As Evidenced by Their Common Agenda:

- Cutting taxes on corporations and the wealthy while shifting the tax burden onto working people and the poor.
- Cutting funding for public schools and shifting resources to private charter/voucher schools for select students.
- Slashing vital safety-net programs: long-term unemployment benefits (MI), Medicaid support for low-income patients (WI), and assistance for low-income families with children (both).
- Stripping workers of their right to bargain collectively with their employer over pay and working conditions.
- Reducing revenue sharing to cash-strapped towns and cities.
- Shrinking state support for higher education, shifting the cost to rising tuition and spiraling student debt.
- Subverting democracy by restricting voter access (WI) and removing elected officials from local office to impose state control of finances (MI).
