

**If they bring us the same contract they brought to GM,
we're not going to accept it.**

**We are Ford workers from Dearborn Truck who say,
we will vote “No” unless**

- Unless two-tier wages are brought all the way up.
- Unless we have yearly wage increases.
- Unless we get our Christmas bonus and Easter Monday holiday back.
- Unless the company puts money into the VEBA for retiree healthcare.
- Unless we get our break time back.
- Unless the money for the Equity of Sacrifice grievance is separate from the contract.
