

Attention: Tier Twos

Firstly I would like to thank you for taking the time to read this.

My name is Ryan Sheridan and I take full responsibility for the content of this letter, I have currently acted alone and this is not UAW approved. I don't want the Union or Gm to believe we are not grateful for all they have done for us and I believe I speak for us all when I say we love our jobs and working for the top car manufacturer with the best Union.

As I'm sure you have heard with the new contract Tier Twos will remain Tier Twos and will receive a three dollar pay raise over the course of the next four years. I feel as many of you do and have thought the same thing "WHY". Why am I not good enough? Well we are good enough and deserve and desire "Equality".

Equation: Desire minus action equals fantasy.

If we truly desire this, then now is the time to make our voices heard.

9 AM
I am proposing a non combative get together to simply let people see our faces and know who we are and what we want. I feel on this coming Sunday at 10:00am and 1:00pm we gather outside the Metroplex and express ourselves civilly with signs, shirts and kindness. I encourage all Tier Two employees to attend this simple gathering and invite all the tier one employees who got us hired and care for us.

This may amount to nothing...but then again if the contract doesn't get passed they will know why and how to fix it so it does.

Sincerely your Union brother,
Ryan Sheridan
